**KING OF MAN – ALBUM RELEASE JULY 18<sup>th</sup> 2014**

**Jay Smith** – Swedish singer and songwriter with a renown voice that effortlessly encompasses grunge, rock, pop, metal, country and blues. When Jay's first solo album "Jay Smith" was released in 2010 it sold platinum and topped the Swedish music charts and even received accolades from the famous American blogger and television personality Perez Hilton. The second album, "King Of Man", produced by Grammy Award winning producer Dan Sundquist, was released in Scandinavia in December 2013. The title track, "King Of Man", soared to first place on iTunes Rock charts in Sweden within the first week and immediately became the most shared song on Spotify Sweden. At present, a third single from the album, "Keeps Me Alive" is still very frequently played on Swedish national radio. As "King Of Man" now hits release dates in Europe it is certain that Jay Smith, his distinguished voice and songwriting will not go unnoticed!
